## COVID RELATED NEWS

### HAWAI'I HOTEL OCCUPANCY RATES HAVE GRADUALLY INCREASED

The occupancy rate of Hawai'i hotels has gradually increased in the last months, yet are less than half the occupancy rate in December of 2019. Hawai'i hotels finished December with some of the lowest occupancy rates in the nation. Only Washington D.C. has lower occupancy rates than Hawai'i. Read the full article [here](#).

### HAWAI'I VACCINATED OVER 94,000 PEOPLE

The State Departments of Health Director said this number far less than expectations, but it is off to a good start. Priority is being given to health care professionals, residents and staff of long-term care facilities, seniors, first responders and other "front-line essential workers."

### ALOHASAFE ALERT APP

Travelers to Maui must now download AlohaSafe Alert app to bypass mandatory quarantine. This is in addition to the negative COVID-19 test already required prior to travel under the state's Safe Travels program in order to bypass the quarantine. Read the full article [here](#).
