HIGHEST VISITOR ARRIVALS IN 12 MONTHS

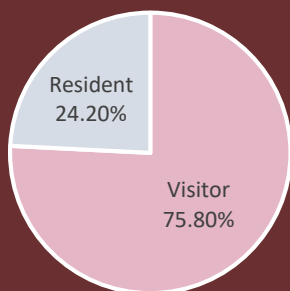

Hawaii's airports are coming back to life as air travel increases. TSA screened over 1 million people per day for four days in a row in the second week of March. Tourism in Hawaii is increasing as more and more people are vaccinated. Spring break was another reason for the increase in tourist arrivals. See the full article at www.staradvertiser.com

STATE OF HAWAI'I SAFE TRAVELS HAWAI'I PROGRAM

THE ISLANDS OF OAHU, MAUI, MOLOKAI, LANAI, AND HAWAII

- **Arriving from us**
May bypass the state's mandatory 10-day quarantine with a negative covid-19 test result prior to the flight arrival in Hawai'i. Tests must be taken with trusted testing and travel partners with 72 hours of departure.
- **International Arrivals**
For international travelers arriving in the State of Hawai'i from Japan, Canada and Korea, only tests from Trusted Testing Partners will be accepted for purposes of bypassing the State's 10-day traveler quarantine. Travelers originating from any other international destination and coming directly to Hawai'i do not have the ability to test for purposes of bypassing the State's 10-day traveler quarantine.

ISLAND OF KAUAI

All transpacific travelers arriving on Kauai are subject to the 10-day quarantine regardless of testing. The quarantine period can be shortened to 3-days if participating in the resort bubble program. Visit [kauai.GOV](https://www.kauai.gov). Kauai will rejoin the safe travels program for trans-pacific travel effective April 5th.
